SUMMARY

4+ years of experience across branding, performance marketing, digital campaigns, social media, packaging, e-commerce. Skilled in building conversion-focused images and videos for Meta and Google Ads, landing pages, website banners, and customer-centric digital experiences. Proficient in **Adobe Creative Suite, Figma, Shopify, After Effects, Premiere Pro, and AI assisted and images with ChatGPT and videos with Higgsfield.**

EXPERIENCE

Somersault (Inhouse kids wear brand of Impulse International Pvt. Ltd.) www.somersault.life — *May 2024 – Present*

Senior Associate: Digital Design

- **Own end-to-end creative delivery for performance marketing** across Meta and Google Ads: Campaign assets, landing pages, website banners, PDP/PLP creatives, social media, and packaging.
- **Drove ROAS from 0.7x to 2.5x by rebuilding creative strategy** around what actually converts, and iterating continuously based on ad performance data.
- **Automated the e-commerce product image adaptation workflow** in Photoshop, replacing a slow one-by-one manual process and cutting turnaround time across the catalog.
- **Defined and rolled out UI and ad creative templates** that improved brand consistency and premium positioning across all campaigns, while boosting output and delivery speed.
- **Introduced AI assisted workflows (ChatGPT, Higgsfield)** into the creative production pipeline, **cutting photoshoot costs** by **80%** while maintaining creative quality.

Radiaant Expovision Pvt. Ltd. — *Sep 2023 – May 2024*

CAD Designer

Developed CAD models and 2D production visuals for product development, coordinating with vendors and project managers on specifications.

Impulse International Pvt. Ltd. — *Feb 2023 – Aug 2023*

Assistant Designer: Product

Supported senior designers on project concepts, presentations, and design mock-ups across multiple concurrent timelines.

Shah Narayan Das & Co — *Aug 2022 – Dec 2022*

Jr. Textile Designer

Developed textile patterns, artwork, and color palettes for apparel collections, adapting high-end trends for mainstream retail.

Dressfolk Pvt. Ltd — *Jun 2021 – Apr 2022*

Textile Design Intern

Assisted on seasonal fashion concepts, fabric and color selection, and technical sketches; created logos, icons, and campaign graphics in line with brand standards; researched trends and competitor designs to support brand positioning.
